TECHNICAL SKILLS

- AWS Cloud, System Design
- CI/CD, Git, Github, Docker
- Microservices, Linux, Lambda
- Database(RDS MySQL, Dynamo DB, Aurora DB)
- VPC, EC2, S3, ELB, ASG, SNS, SQS, IAM, KMS, VPN, EBS, EFS
- Windows, Linux, Unix, RHEL, CentOS and Ubuntu.
- Data Migration Strategies

BADGES

AWS Certified

AWS Solutions Architect - Associate	
AWS SysOps Administrator - Associate	
AWS Developer - Associate	
AWS Cloud Practitioner	

CERTIFICATIONS

EDWIN EHIKIOYA ESENE

AWS SOLUTIONS ARCHITECT

PROFESSIONAL SUMMARY

AWS Certified Solutions Architect Associate with 2 years of training and hands-on experience designing, implementing, and deploying secure, reliable, scalable, resilient, fault-tolerant, highly available, and cost-effective cloud-based architectural solutions tailored to drive home customer needs and satisfaction while maintaining unparalleled enterprise standards, governed by the AWS principles of the well-architected framework. Dedicated professional with critical analytical and problem-solving skills, with a proven ability to function dynamically in a collaborative team environment, and independently with the objective to contribute expertise to achieving set individual and team goals.

PROFESSIONAL EXPERIENCE

Data Recovery Technician Aug 2021 - Mar 2023

City of Dallas

Collaborated as a vital member of a **skilled** Data Recovery Team comprised of six professionals during a high-stakes data recovery project for the City of Dallas Police Department (**DPD**). Demonstrated strict adherence to company's policy by upholding absolute confidentiality when handling sensitive personal information, and confidential data. Worked diligently to meet project deadlines while maintaining a high level of accuracy by utilizing reliable data mining tools to extract and recovered over **98%** of critical data files required by the police department to complete all high-stakes investigations.

Desktop Support Technician May 2021 - Aug 2021

Techtronix Systems

Technically supported end-users via phone, in-person, and remotely, ensuring the peak functionality of desktops, laptops, and devices. Collaborated closely with a dedicated team, that consistently achieved individual and collective goals by completing projects in order of priority and timely resolution specified in SLAs. Resolved over **450** hardware and software-related issues, implementing technical fixes that swiftly restored users' productivity. Played a key role in the organization's cost-saving efforts, contributing to a **21%** reduction in overhead expenses compared to the previous year through the significant reduction of system downtime and related IT overhead costs.

Senior Metro-Cell Assembler Feb 2019 - Feb 2021

CommScope Technologies LLC

Collaborated with a team of experts in the building and maintenance of 5G metro-cell systems, such as Pole Cabs, Micros, 5G Antennas, and 5G Pole Towers for telecom giants such as AT&T, Verizon, and T-Mobile. Individual and team efforts were pivotal to the Euless facility's upturn profit of over **4 million dollars** during the 2020 fiscal year.

Spanish ● ● ● ● ●

Analytical Chemist Jan 2013 - Mar 2018
Repsol S.A - (Madrid - Spain)

Managed a team of analytical chemists in an off-shore laboratory setting, overseeing their work in monitoring and analyzing crude petroleum samples and petrochemical distillates, to determine the kinetic behaviors of various organic parameters present in specific samples. Also researched a wide range of organic compounds related to food safety, pharmaceuticals, and pollution control by analyzing the chemical properties, structure, composition, and reactions, of the various compounds.

EDUCATION

Information Technology Security and Administration Jul 2020 - Jun 2021
MyComputerCareer - Arlington, TX

Bachelor of Science (B.Sc. Hons) Industrial Chemistry Feb 2000 - May 2005
Ambrose Alli University - Nigeria
